3. Please inform your child's teacher if she/he suffers from any medical condition which may affect them during class e.g. asthma epilepsy etc.
4. Please inform me if you change address during the school year
5. Within one month of registration all children in Pre-Primary classes and above must wear regulation uniform. Childrens hair must be well groomed and if long secured in a bun. As the children have to move freely and at speed during lesson hair can distract the child and can be a danger to others.

7. If your child leaves during the school year could you please inform me as to the reason why.
8. Please collect your child promptly after their lesson, however please be assured that no child will be left on their own at the end of a session should unforeseen circumstances prevent your arrival. For security reasons please instruct small children to wait in the studio with their teacher if you are not in the changing area at the end of the lesson.
9. Please remember that Top Squash is used by other people and this should be respected do not let your children run around and go up to the gym.
